

# SEARCH Cybercrime and Digital Forensics

## 2023: A Year in Review

Number of personnel trained through in-person training classes and conferences

2,679

"I've been to hundreds of trainings. What you taught was the first time I was able to take something from the classroom, right out into a real investigation. Every officer should take this training."

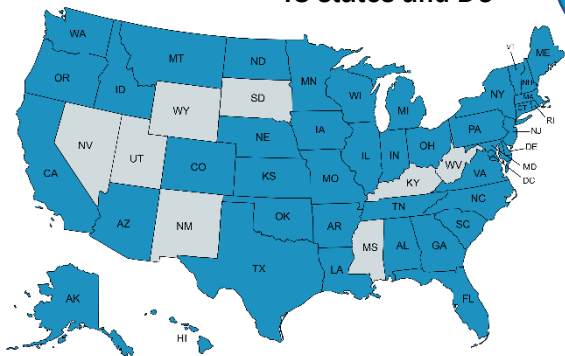

4.96

Average student rating out of 5.0

Number of technical assistance requests handled in 43 states and DC

290
